Account Number:	00106224	Sort Code:	83-25-03

Definition of Categories and Notes

All ages are determined at the joining point of the season of which there are 4 'intakes'; 1st October/1st January/1st April/1st July.

Ordinary and Life Members of all age ranges can play on the course at any available tee time and have full voting and access rights to LGC.

Country Members must be resident more than 30 miles distant from LGC. Members of the armed forces can also apply for this category and can play on the course at any available tee time. Returning members can re-join the Club at a discounted rate only if they have NOT been a member of LGC in the past 2 years, this applies to their first year of re-membership only.

5 Day members can play on the course on any available tee times from Monday to Friday and participate in competitions on those days.

2nd Club members can play at the course on any available tee times and participate in all competitions except Club championships.

GBIG Y1 (get back into golf year one) is a category which allows new members to join at a discounted rate – they can either be new to golf or must not have been a member of any other golf club (or been an Open play Member) in the previous 5 years.

GBIG Y2 (get back into golf year two) is a category which allows new members to enjoy a 2nd year of discounted rates at the Club. Effectively the GBIG scheme allows new Members nearly 2 years of golf for the price of 1 and we hope these players move on to becoming full Members in their 3rd year.

Parent and child is a category which allows one parent and one child (must be at Primary school) to play together from the red tees for 9 holes of the course and in the practice areas ONLY. Play MUST be together, single playing for the Adult is strictly prohibited.

Junior fees are as per the age ranges above and include access to Junior coaching during the main playing season for a minor attendance fee. Where a parent is an ORDINARY Member of the club ONE child only (of 6-13 age) can be offered a free Membership, no family discounts will be available to further children given our exceptionally low fees.

Juniors are permitted to enter Senior Club competitions when they are 14+ and have a handicap of <28, NB some further restrictions may apply to Open competitions.

Members can introduce a Guest to the course at reduced rates up to a maximum of 4 visits per month and the same guest can only be admitted 6 times in one year regardless of which Member introduced them. Juniors cannot introduce guests at reduced rates.

Note that the only categories above which have voting rights are Life and Ordinary Members.

Buggies can only be hired by Members and Visitors over 18 years of age with suitable identity checks.

If you have any questions contact the Club by 'phone or email, these are always available on our web site.
